

BARCELONA HIGHLIGHTS

Barcelona throughout its history and geniuses

Itinerary

6 Hours Tour

- Your Barcelona Highlights Tour starts with a **private transfer** from port to the first stop in our route.
- **Montjuic Mountain:** probably the best point view of the city. From this privileged place we will observe all the city . From the port and promenade to Tibidabo, including these historical and contemporary magnificent buildings.
- Apart from the views we will know how Barcelona changed during the **International Exposition of 1929**.
- We will head to the downtown to discover the best **Modernism works** (Sagrada Familia, La Pedrera, Casa Batllo,...) before going to the old City.
- **Gothic Quartier:** there is no better place in the city to find such a treat for the senses. Gourmet shops, shops specialized in artisan products of Catalonia, best butchers, selected deli shops, shops specialized in "jamón de bellota", oil, foie, ...
- A lovely walk through Las Ramblas helps us to say goodbye to Barcelona.
- Our tours comes to an end. Your private transfers takes you to the Cruise Terminal
