

MONTJUIC & PANORAMIC TOUR

More than Culture & Art

PANORAMIC TOUR

4- hours Tour

Itinerary

- Private driver with your expert guide picks you up at the Cruise Terminal.
- You will head to the **Cable Car** in Barcelona Port the perfect way to get the best views of the city.
- We arrive to **Montjuic** (Magic Mountain) where we can visit the Olympic Area, Fundació Miró Museum, MNAC and walking through beautiful secret gardens. Montjuic is one of the best viewpoint of the city.
- A panoramic tour that will show us where the **International Exhibition of 1929** was placed. The Exhibition was the motor for the modernization of Barcelona. The **National Palace** was build (actually the National Museum MNAC), the **Venetian Towers** gives the welcome to the place and the emblematic **Magic Fountains** with its great show of music, light and colors.
- Here we could visit the **Spanish Village (Poble Espanyol)** where we find a representation of the traditional towns of all around Spain
- It's great to see too when Barcelona was chosen as an **Olympic city for 1992** began a new transformation of the Mountain with the Olympic equipment, we could take a look about all these Olympic Area with this panoramic tour.
- Your private driver takes you to the Cruise Terminal again
